Dear Patients and Friends,

Time flies! After 32 years of traveling to several locations and seeing my wonderful patients, it's time for me to do the work I love closer to home. As of May 1, I will only be providing care at our Olivia and Redwood offices, and will no longer visit our office in Litchfield.

Taking care of my Litchfield patients has been an enormous pleasure and choosing to no longer visit this office was a very hard decision for me. Ultimately, it was knowing my extremely skilled colleague, Dr. Shane Jahraus, would be there to care for you that gave me the peace of mind I needed to close this chapter of my career and continue caring for patients closer to home.

Having grown up and lived in Litchfield, this town will always have a special place in my heart. I have enjoyed taking care of you all more than you know. It doesn't seem that long ago, but it has been 40 years since I was sitting in Dr. Vold's exam room deciding that I wanted optometry to be my career path. I will never be able to thank him enough for helping me choose my life's work, because it allowed me to meet patients like you.

I am not retiring and will always be a phone call away. By giving up the commute from Olivia to Litchfield, I am able to spend more time with my family, improve my golf game, and just make my world slow down a little bit. Thank you for trusting me with your family's eyecare. It has been an honor and a privilege.

PLAY BALL,

Dr. Mike Nagel
